

Pupil event:-

A mathematics masterclass for high achieving / MAT **primary pupils** in year 6 (and possibly year 5) will be run by the Royal Institute (Ri) on Monday 28 January 2019.

The pupils will participate in extra-curricular problem solving / investigation enrichment activities. The session will hope to inspire in pupils an appreciation of mathematics that is long-lasting.

The masterclasses encourage pupils to see mathematics as an exciting discipline driven by asking questions, involving investigation and collaboration and with relevance to particular contexts and the world around us.

Each school can bring up to five pupils to attend the event. There will be a choice of two sessions to book on:-

Session 1 09:30 – 11:30.

Session 2 12:30 – 14:30.

Attendance at this **free** event is offered on a “first come” basis. To book on this event please email Beverley Blackburn on Beverley.Blackburn@cscjes.org.uk stating the number of pupils you are bringing and which session you wish to attend. The pupils should be accompanied by a teacher of mathematics.

The Ri mathematics masterclasses will take place at:

Valleys Innovation Centre

Navigation Park,

Mountain Ash,

Abercynon,

CF45 4SN

Best Wishes,

Mae dosbarth meistr mathemateg i **ddisgyblion cynradd** uchel eu cyflawniad / MATH ym Mlwyddyn 6 (a Blwyddyn 5 hefyd efallai) wedi cael ei drefnu gan y Royal Institute (Ri) ar ddydd Llun 28 Ionawr 2019.

Bydd y disgyblion yn cymryd rhan mewn gweithgareddau cyfoethogi allgwrwclaid o ran datrys problemau / archwilio. Gobeithio bod y sesiwn yn ysbrydoli disgyblion i werthfawrogi mathemateg yn hirdymor.

Mae'r dosbarthiadau meistr yn annog disgyblion i weld mathemateg fel disgyblaeth gyffrous, sy'n cael ei llywio gan holi, archwilio a chydweithio, sy'n berthnasol i gyd-destunau penodol a'r byd o'n cwmpas.

Mae pob ysgol yn gallu dod â phum disgybl i'r digwyddiad. Bydd dewis o ddwy sesiwn:-

Sesiwn 1 09:30 – 11:30.

Sesiwn 2 12:30 – 14:30.

Mae'r digwyddiad hwn **am ddim** ar sail "cyntaf i'r felin". Er mwyn cadw lle yn y digwyddiad hwn, e-bostiwch Beverley Blackburn ar Beverley.Blackburn@cscjes.org.uk gan nodi nifer y disgyblion sy'n dod a pha sesiwn rydych eisiau ei mynychu. Dylai athro mathemateg ddod gyda'r disgyblion.

Lleoliad dosbarthiadau meistr y Ri:

Canolfan Menter y Cymoedd

Parc Hen Lofa'r Navigation,

Aberpennar,

Abercynon,
