

Professional Learning Opportunities for Governors

Spring 2018 Update

Introduction

The Central South Consortium recognises the importance of governors and the key role that they play in supporting and challenging their schools.

To support them in this valuable role Central South Consortium is delivering the mandatory training sessions for governors. Alongside these mandatory sessions the Consortium will also deliver a number of sessions which are pertinent to their role in school improvement.

The termly briefings which proved very useful last year will continue and the themes of these will again focus on priorities related to school improvement and the work of the Consortium.

Spring Briefing Session 2018

Thursday 22nd March, 6.00pm - 8.00pm

**Tŷ Dysgu, Cefn Coed, Parc Nantgarw,
Cardiff CF15 7QQ**

Education in Wales is changing and so is Estyn's approach to inspection. The new inspection framework supports improvement by only focusing on the most important areas that help learners achieve. The changes to inspections took effect from September 2017 and apply to all schools and work-based learning.

Based on the overwhelmingly positive feedback from the inaugural Governors' Conference and our Autumn Briefing Session, HMI Liz Counsell from Estyn will be delivering a workshop on the New Inspection Framework, with a specific focus on how this will affect Governors and what Estyn would consider good practice for Governing Bodies.

There will also be time for a short Q&A session.

We will also be inviting schools from within the region, who have been inspected under the new Framework, to give a real world perspective on these changes.

This is an excellent opportunity for Governors to ensure they are up to date with the latest developments.
